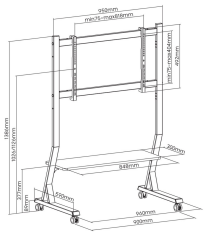
DATASHEET



General data

45"-90" TV trolley equipped with a large shelf for storing DVD player, console or other objects (848 x 300 mm)
Heavy-duty wheels offer smooth mobility with a quality that lasts, while offering mobility and stability; The TV stand can be easily moved to wherever you want, for video conferencing, gaming or more, and is not afraid of tipping over
Cart is height adjustable to always offer an optimal viewing position
Limiting screws prevent the TV from accidentally sliding on the edge during installation, thereby improving the customer's usage experience
Color: matte black

Specially designed for large screen TVs, the ICA-TR325 meets the needs for mobility and accessory storage. The lockable wheels offer mobility and stability at the same time. It can be easily moved anywhere you want for video conferencing, gaming and more.
Two-level height adjustment allows the user to find the perfect position to keep the TV at eye level.
A large media shelf provides ample space for TV accessories and gaming gadgets.

Features
Heavy Duty Casters: Provide smooth mobility with quality that lasts
Solid Steel Feet: Provide a higher level of support than the original base to help prevent accidents and tip-overs
Storage area: for a cable TV box, DVD player, gaming system and more
Limiting screws: prevent the TV from accidentally sliding on the edge during installation, thus improving the customer's user experience
