DATASHEET

Lantester network & modular cable, RJ11/12/45

General data

LAN test kit, master and remote unit network and modular test
Cable tester for twisted pair cabling and patch cables
RJ11/12/45 local or remote connections can be tested
Separate LED for Pin 1 - 8 and ground
Each individual core is automatically scanned
Scan speed low/high, adjustable
Incl. black plastic case
Battery 9 V, E-block not included

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Model	Suitable for
39939.1	Lantester network & modular cable, RJ11/12/45	LAN Function testing device	Twisted Pair

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 21-11-2026 . Technical changes reserved.
