

# DATASHEET

## LSA-connection module 1/10 10pairs

### General data

Connection Module with LSA terminal according to DIN 41611-6 for mounting on LSA Backmount Frames  
 For copper cores with a diameter of 0.4 - 0.8mm  
 Printed with numbers 1..10  
 For screw fastening  
 Fixing dimension 96 mm

### Tekniske egenskaber

### Available variants

| ArtNr.  | Bezeichnung                        | With colour code | With strip code | Max. number of dual cores |
|---------|------------------------------------|------------------|-----------------|---------------------------|
| 46001.2 | LSA-connection module 1/10 10pairs | False            | True            | 10                        |

### Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 12-09-2026 . Technical changes reserved.
