DATASHEET

LSA Disconnection Module 2/10 10pairs w/o Colour Code

General data

Connection Module with LSA terminal according to DIN 41611-6 for mounting on LSA Backmount Frames
For copper cores with a diameter of 0.4 – 0.8mm
With large wire routing eyes, printed with numbers 1..0
Cable and routing side can be separeted by disconnection plug

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	With colour code	With strip code	Max. number of dual cores
46005.1	LSA Disconnection Module 2/10 10pairs w/o Colour Code	False	True	10
46005.1F	LSA Disconnection Module 2/10 10pairs with Colour Code	True	True	10

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.
