DATASHEET

Fiber kevlar cutter - metal

General data

Fiber kevlar cutter. Metal High-leverage tool ideal with a serrated blade for cutting, trimming & slicing through tough fibers & other industrial or electronics materials
Hot-forged, high-carbon steel blades ensure durability & longevity. Equipped with quick-action spring response design & yellow cushioned grips for ease of use

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Model	Material cutting surface
6197004926	Fiber kevlar cutter - metal	Kevlar® scissor, micro serrated blade	Stainless steel

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 03-11-2026 . Technical changes reserved.
