

DATASHEET

LED Lighting Unit Single, 24 V DC Type

General data

Single lighting units for direct cascading unit-unit or via cable 698026.3

Up to 6 units can be connected after each other

Variant 698026.24 (24 V DC) for use with lighting/connection set 230 V, sensor and switch

Variant 698026.48 (48 V DC) for use with lighting/connection set with switch and open ends

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Length
698026.24	LED Lighting Unit Single, 24 V DC Type	415 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 11-10-2026 . Technical changes reserved.
