

DATASHEET

General data

The DIN rail adapter can be mounted on a 35 mm wide DIN rail to enable installation e.g. in a control cabinet , network cabinet or sub-distribution. In addition, the adapter has a small labeling field, which can be individually labeled or provided with various symbols. Once a Keystone is inserted, the adapter can be used to connect an RJ45 patch cable or to connect within the structured cabling.

Specification:

- DIN rail mounting: 35 mm (TH35)
- Stackable
- With labeling field
- For cable diameters from 6.0 - 8.5 mm
- Operating temperature: -40 °C ~ 85 °C
- Material: plastic, metal
- Color: grey
