

DATASHEET

General data

The LC fiber pigtail has a primary coating (900μ) in the colour of the respective category (see table). The colour of the primary coating is equal to the colour of the secondary coating. A numeric connector coding 1 .. 12 simplifies the allocation of the ports. **The pigtails can be ordered separately.** Because the standard batch size for ordering pigtails is 12, in a polybag are 12 pigtails. Each connector is packed separately for an easy remove of each pigtail. Every PU contains an individual measuring protocol.

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Unique
FTTH-PIGTAIL-LCA1		Unique
