DATASHEET

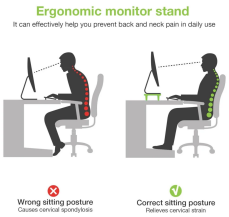

General data

The desk riser allows you to raise your monitor to a more comfortable viewing position, reducing neck and back strain and creating additional space to keep commonly used items within reach. Especially useful for storing the keyboard and mouse in the lower space
The 54.5 x 21.0 cm walnut veneer MDF panel is waterproof, scratch-proof and easy to clean. It is large enough to accommodate a monitor, a tablet and additional speakers on its surface. Furthermore, it can also be used as a printer stand, laptop stand or projector stand
The stand is well balanced and the four white ABS legs with non-slip silicone coating guarantee maximum stability

Dimensions

Width: 545 mm
Depth: 210 mm
Height: 80 mm
