

DATASHEET

Height adjustable stand for devices or LCDs 13"-32"

General data

- Accommodate most 13"-32" monitors, laptops, printers, and other office machines
- Set your monitor at an ergonomically correct height and maximize desk space with our height-adjustable smart stand
- Stacking columns design provides height adjustment customization to raise your monitor to eye level and increase viewing comfort
- With ample clearance between the stacking columns, this stand provides plenty of room to fit a small laptop or supplies beneath
- Non-skid EVA foam feet protects work surface from scratches or scuffs
- Each shelf support 10kg helps to ensure office machines rest securely
- Built-in cable manager routes cables neatly
- Front slot holds most tablets and phones
- Side groove stores small-size office supplies, such as pens, rubber, etc
- Specifications
- Suitable for: printers, monitors, laptops and other office equipment
- Suggested screen size: 13"-32"
- Each shelf can support up to 10kg
- Product size: 435 x 330 x 168 mm
- The design characterized by stackable columns allows you to adjust the height to your needs: adjustable to 4
