DATASHEET

Flexible Universal Trolleys for Notebook / Beamer, 85-110cm, white

General data

This height-adjustable cart is very versatile and has a large surface area that can hold laptop, projector, charger, mouse and more. Both platforms can be rotated 360° and 35° upwards and downwards to optimize the angle of typing, while the raised edges prevent your device from slipping and falling.
The mobile design with four wheels 2" offers greater stability.
Ideal for convention centers, hotels, meeting rooms, classrooms and showrooms.

Technical features

- Adjustable height
- Easy access to assembly and disassembly
- Four wheels (2") for maximum stability (2 lockable)
- Platform tiltable for improved viewing flexibility
- Maximum weight supported: 10 kg
- Material: wood and steel
- Painting: powder
- Color: white

Dimensions trolley

- Width: 573 mm
- Depth: 538 mm

DATASHEET

Flexible Universal Trolleys for Notebook / Beamer, 85-110cm, white

- Height: min 850 mm - max 1100 mm
- Weight: 10 kg

Package dimensions

- Width: 705 mm
- Depth: 515 mm
- Height: 120 mm

Package Contents

- Trolley universal ICA-TB-TPM-6

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Unique
ICA-TB-TPM-6	Flexible Universal Trolleys for Notebook / Beamer, 85-110cm, white	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
