DATASHEET

General data

The ICA-TR 1546 TV trolley is equipped with a light and durable aluminum column. Swivel, height and tilt adjustments provide better viewing angles. A supplied shelf can support AV equipment and other small items. Four casters with brakes allow for smooth movement and can lock firmly to keep the TV stand in a stable position.

Features
Lightweight aluminum construction: offers a stylish look and handling
Portrait or landscape view
Height Adjustable Equipment Shelf: Provides more space for storing accessories and small items
Four casters with locking mechanism: can be moved or stopped at will
Height adjustment for correct positioning
Tool-less tilt – allows for effortless positioning
Handle with D-ring, for quick and easy movement of the trolley
Integrated cable management to keep everything organized
Technical specifications
Material: aluminium, steel, plastic
Surface finish: powder coating
Color: fine textured gray and matte black
Fits 37"-86" screens
VESA compatible: 200x200,300x200,400x200,300x300,400x300,400x400,600x400
TV weight capacity: 50 kg
