DATASHEET

Floor/Ceiling TV Mount for 37-70" TVs

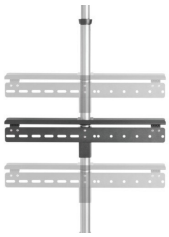

General data

ICA-TR32 is a TV support for floor-to-ceiling installation that allows you to place the TV anywhere you want without having to fix it to the wall! It requires only a solid floor and a solid ceiling. No need to drill, no measurement, installation is very easy and very fast!It can support TV up to 30 kg safely. The 360° flexible rotation and the vertical adjustment of the height of the VESA plate allow the TV to be positioned at an angle and height that are ideal to display it as you want. With the included multimedia shelf, the AV components will have a place dedicated for them, keeping everything clean and tidy. The integrated management of cables makes the installation professional, hiding unsightly cables to the eye. Ideal for commercial and domestic installations.
