DATASHEET

General data

Portable wireless speaker with clear and bright sound featuring colored LED lights that flash to the rhythm of the melody
Thanks to the Handsfree function you can answer incoming calls on your smartphone
Reads Micro SD cards and USB memories and plays audio in MP3 format
The supported wireless distance is 10m
To ensure battery saving, it turns off automatically when disconnected from the smartphone for more than 30 minutes
The compact size allows you to listen to your favorite music wherever you want and, thanks to the carabiner, you can clip it anywhere and always carry it with you

Technical specifications
BT V5.3
Support L2CAP / A2DP / AVCTP, can receive AUDIO signal and control AUDIO device
HSP / HFP (hands-free profile) with hands-free functions

This datasheet was created automatically on 04-11-2026 . Technical changes reserved.

Operating distance: 10 m
SNR: ≥90 db
Battery: 3.7V about 500 mAh
Normal volume operation: approximately 2 hours
Speaker driver: Ø 45mm * 1
Power: 4Ω / 5W * 1
Response frequency: 120Hz-20KHz
Charging: 5V / 500mA
Charging time: about 2 hours
Accessories included: USB cable

Features
Bluetooth connection, call
Support USB flash disk, TF memory card
Short charging time, long operating time
Speaker with clear and brilliant sound
Led lights flashing to the rhythm of the music
Equipped with carabiner

Dimensions
Width: 85 mm
Depth: 49 mm
Height: 133.4 mm
Unit weight: about 244g (accessories not included)

Package Contents
1pc × wireless Bluetooth speaker
1 pc × charging cable
1 pc × user manual

Tekniske egenskaber

Available variants

ArtNr.	Bezeichnung	Colour
ICASBL321BK		schwarz

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 04-11-2026 . Technical changes reserved.
