

# DATASHEET

## DisplayPort 1.1 to HDMI Connecting cable, black, 5 m

### General data

- Converts the DisplayPort signal into a HDMI signal
- Provides a high quality digital video signal - ideal for the use of new sources with existing DisplayPort-/HDMI monitor
- Supports Deep Color as well as applications with bandwidth 10.8 Gbps and resolutions up to 1920x1200
- Integrated design for easy connection and eliminating cable clutter

### Standards and Certifications

- UL 20276

### Connections

- 1x DisplayPort 20-pin male
- 1x HDMI 19-pin male
- Material of contacts: nickel-plated
- Molded PVC boot with cable gland

This datasheet was created automatically on 22-09-2026 . Technical changes reserved.

# DATASHEET

## DisplayPort 1.1 to HDMI Connecting cable, black, 5 m

### Cable

- Inner conductor: AWG 30
- Withstanding voltage: 300 V DC
- Shielded

### General information

- Supports 8-bit and 10-bit Deep Color
- Bandwidth 10.8 Gbps
- Supports connection 1-lane, one-direction

### Package Contents

- 1x Converter cable DisplayPort to HDMI

### Tekniske egenskaber

### Available variants

| ArtNr.         | Bezeichnung                                          | Colour | Length |
|----------------|------------------------------------------------------|--------|--------|
| ICOC-DSP-H-010 | DisplayPort 1.1 to HDMI Connecting cable, black, 1 m | Black  | 1.0 m  |
| ICOC-DSP-H-020 | DisplayPort 1.1 to HDMI Connecting cable, black, 2 m | Black  | 2.0 m  |
| ICOC-DSP-H-030 | DisplayPort 1.1 to HDMI Connecting cable, black, 3 m | Black  | 3.0 m  |
| ICOC-DSP-H-050 | DisplayPort 1.1 to HDMI Connecting cable, black, 5 m | Black  | 5.0 m  |

### Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 22-09-2026 . Technical changes reserved.
