

# DATASHEET

#### Flexible TPE and durable

Special TPE's outer sheath maximum strength and resistance

## General data

USB4 Gen3 cable, super flexible and durable with a data transfer speed of 40Gbps.

Connections: USB-C™ male to USB-C™ male; Connect your USB-C™ device with various USB-C™ chargers.

Featuring Gen 3 data transfer (up to 40Gbps) and QC fast charging, the ICOC USBC-FL-U4 is the perfect solution for charging your USB-C™ devices on the go. Connect your USB-C™ device with various USB-C™ chargers and the built-in E-mark chip automatically recognizes the voltage and current of your Type-C device, provides high-speed charging up to 100W (20V/5A) for USB-C™ devices.

Thanks to its flat, tangle-free design and length of only 12.4 cm, it can easily be placed in a pocket, purse or suitcase and taken on the go.

### Technical specifications

USB4 Gen3 USB-C™ male to male flex cable

Length: 12.4cm

Data: 40Gbps

Current: PD 100W (20V/5A)

Integrated Cypress 2103 E-Mark chip

It supports 8K 60Hz resolution

Thunderbolt 3 compatible

Aluminum shell with flat TPE FPC (Flexible Printed Circuit Board)

Colour: Black
