

DATASHEET

General data

HPE J4858C compatible BlueOptics © SFP transceiver for multimode gigabit high-speed data transmission in fiber optic networks. Supports Gigabit Ethernet, Fiber Channel or SONET / SDH applications in switches, routers, storage systems and similar hardware. BlueOptics SFP transceivers are equipped with digital monitoring (DDM / DOM) function (for detailed information on the power supply, the laser quiescent current, the laser output power, the laser input power and the temperature) and can optionally be delivered with different temperature ranges.

Buy J4858C SFP Transceiver of the brand BlueOptics from CBO today, because this transceiver meets or even exceeds the requirements of the original manufacturer, HPE, in terms of technical condition and functionally accurate function.

Product features:

- Type: SFP
- Data rate: 1000BASE-SX
- Wavelength: 850nm
- Distance: 550 meters (OM2)
- Connection: LC Duplex
- Medium: Multimode fiber
- Guarantee: 5 years

BlueOptics SFP Transceiver compatible with the HPE J4858C module, only use high quality components from brand

DATASHEET

manufacturers (such as Avago, Mitsubishi Electric, Analog Devices and Maxim Integrated) to ensure the durability, accuracy and unlimited functionality of the J4858C compatible SFP module. In addition to automated test driving, whereby the alignment of the laser of each individual J4858C compatible BlueOptics SFP transceiver is checked, during production, attention is also paid to compliance with the MSA (Multi Source Agreement) standards and the durability of the material. All HPE compatible BlueOptics SFP's also meet the highest industrial standards, such as CE and RoHS, as well as the requirements of TÜV Rheinland, UL and FCC.

BlueOptics Warranty:

BlueOptics J4858C SFP transceivers are too 100% HPE compatible. Every BlueOptics HPE J4858C compatible SFP transceiver is tested in the manufacturer's hardware before shipping to guarantee its functionality and compatibility and to ensure that the highest industrial quality standards are achieved.

BlueOptics Warranty:

BlueOptics HPE J4858C compatible SFP transceivers have a 5-year exchange guarantee - without any discussion!
