# DATASHEET

## General data

HPE Aruba J9150D compatible BlueOptics © SFP + transceiver for multimode 10 gigabit high-speed data transfers in fiber optic networks. Supports 10 Gigabit Ethernet, Fiber Channel or SONET / SDH applications in switches, routers, storage systems and similar hardware. BlueOptics SFP + transceivers are equipped with digital monitoring (DDM / DOM) function (for detailed information on the power supply, the laser quiescent current, the laser output power, the laser input power and the temperature) and can optionally be delivered with different temperature ranges.

Buy J9150D SFP + transceiver of the brand BlueOptics from CBO today, because this transceiver meets or even exceeds the requirements of the original manufacturer, F5, regarding technical quality and functionally accurate function.

Product features:

- Type: SFP +
- Data rate: 10GBASE-SR
- Wavelength: 850nm
- Distance: 300 meters
- Connection: LC Duplex
- Medium: Multimode glass fiber
- Warranty : 5 years

# DATASHEET

BlueOptics SFP + Transceiver compatible with the HPE Aruba J9150D module, only use high-quality components from brand manufacturers (such as Avago, Mitsubishi Electric, Analog Devices and Maxim Integ rated) to ensure the longevity, accuracy, and full functionality of the J9150D compatible SFP + module. In addition to automated test drives, whereby the alignment of the laser of each individual J9150D compatible BlueOptics SFP + transceiver is checked, during production, attention is also paid to compliance with the MSA (Multi Source Agreement) standards and the durability of the material. All HPE Aruba compatible BlueOptics SFP + 's also meet the highest industrial standards, such as CE and RoHS, as well as the requirements of TÜV Rheinland, UL and FCC.

BlueOptics Warranty:

BlueOptics J9150D SFP + Transceivers 100% HPE Aruba compatible. Every BlueOptics HPE Aruba J9150D compatible SFP + transceiver is tested in the manufacturer's hardware before shipping in order to guarantee its functionality and compatibility and to ensure that the highest industrial quality standards are achieved.

BlueOptics Warranty:

BlueOptics HPE Aruba J9150D compatible SFP + transceivers come with a 5 year replacement guarantee - without any discussion!
