

DATASHEET

General data

HPE J9151A compatible BlueOptics © SFP + Transceiver for Singlemode 10 Gigabit Highspeed data transfers in fiber optic networks. Supports 10 Gigabit Ethernet, Fiber Channel or SONET / SDH applications in switches, routers, storage systems and similar hardware. BlueOptics SFP + transceivers are equipped with digital monitoring (DDM / DOM) function (for detailed information on the power supply, the laser quiescent current, the laser output power, the laser input power and the temperature) and can optionally be delivered with different temperature ranges.

Buy J9151A SFP + transceiver of the BlueOptics brand from CBO today, as this transceiver meets or even exceeds the requirements of the original manufacturer, HPE, in terms of technical quality and functional functionality.

Product features:

- Type: SFP +
- Data rate: 10GBASE-LR
- Wavelength: 1310nm
- Distance: 10 kilometers
- Connection: LC Duplex
- Medium: Singlemode fiber optic
- Warranty : 5 years

BlueOptics SFP + Transceiver compatible with the HPE J9151A module, only use high quality components from brand

DATASHEET

manufacturers (such as Avago, Mitsubishi Electric, Analog Devices and Maxim Integrated) to ensure the longevity, accuracy, and full functionality of the J9151A compatible SFP + module. In addition to automated test drives, whereby the alignment of the laser of each J9151A compatible BlueOptics SFP + transceiver is checked, during production, attention is also paid to compliance with the MSA (Multi Source Agreement) standards and the durability of the material. All HPE compatible BlueOptics SFP + 's also meet the highest industrial standards, such as CE and RoHS, as well as the requirements of TÜV Rheinland, UL and FCC 100% HPE compatible. Every BlueOptics HPE J9151A compatible SFP + transceiver is tested in the manufacturer's hardware before shipping in order to guarantee its functionality and compatibility and to ensure that the highest industrial quality standards are achieved.

BlueOptics Warranty:

BlueOptics HPE J9151A compatible SFP + transceivers have a 5-year exchange guarantee - without discussion!
