# DATASHEET

## FTTx Fusion splicer 3 axe, incl. Cleaver

### General data

K11 is the most advanced and best performance core-to-core alignment for every splicing purposed like medium and long range optical circuit, LAN, CATV, FTTx with least loss. With compact, light, rugged design and long life battery, it delivers high precision performance. Furthermore, 5 inch color monitor with touch screen offers users more convenient and efficient working process.

### Tekniske egenskaber

### Available variants

| ArtNr. | Bezeichnung | Alignment | Model |
|---|---|---|---|
| K11 SPLICER | FTTx Fusion splicer 3 axe, incl. Cleaver | through fiber jacket | K11 |

**Note on Intended Use**

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

**This datasheet was created automatically on 11-11-2026 . Technical changes reserved.**
