

DATASHEET

General data

USB Type-C to USB Type-C Charging Cable Set - 100W, E-Marker, Textile Braid, 2 x 2m

High-performance **USB Type-C to USB Type-C cable set**, including **2 x 2m**, designed for industrial, IT, and retail environments. Built for **up to 100W charging power**, durability, and eco-conscious packaging – ideal for resellers, integrators, and business customers.

Product Features:

- **2 x USB Type-C to USB Type-C cable** for fast, reliable charging
- **Supports up to 100W Power Delivery (PD)** via integrated **E-Marker chipset**
- **480 Mbps** data transfer speed - for photos, videos, and more
- **Included in the set:** 2 x 2m fast charging cable
- **Gold-plated USB Type-C connectors** with **aluminum housing**
- **Durable textile-braided jacket in space-grey** – flexible and wear-resistant

This datasheet was created automatically on 11-09-2026 . Technical changes reserved.

DATASHEET

- **Printed charging bolt symbol on the connector** for function identification (not an LED)
- **Plastic-free individual packaging** – shipping-ready without overpack
- **No plastic accessories:** paper twist-tie with metal wire, no dust caps
- **Use Cases:**

Ideal for workplace infrastructure, mobile device accessories, corporate IT rollouts, public charging points, and OEM bundling. Compatible with USB-C laptops, smartphones, tablets, and more.
